Personal Profile

Hi, I'm Alakina! I'm a passionate performer with a love for musical theater, acting, singing, and modeling. Storytelling has always been at the heart of what I do, and I love bringing characters to life while connecting with audiences. Trained at AMDA, I've had the opportunity to perform on stage, work in runway, editorial and commercial modeling, and appear in film projects. I'm always looking for new opportunities to grow as an artist, collaborate with creative people, and continue building a career in theater, film, television, and fashion.
